

Teamster Horsemen Motorcycle Association-41E

AC Memorial Scholarship Application

PURPOSE

This scholarship is being made available in memory of Adam Carothers, an amazing young man who passed away of a heart attack 4 weeks shy of his 34th birthday. Born in Kittanning, PA and making his way to Masury, OH, Adam was loved by many for his witty, brutally honest, and big-hearted character. After a decade working in a frozen food warehouse, Adam decided to pursue a new career in HVAC which brought him to ETI Technical College of Niles. Adam was giving, full of life and an all-around great guy who was quite the prankster with his fun-loving nature. He had a love of motorcycles and his 3 cats and owned a 2008 Kawasaki Vulcan 900 Custom motorcycle that was his favorite signature green. He was our THMA-41E Sergeant at Arms and participated in many service-oriented functions as his way to give back to the community. It is with our pleasure that we honor this man by giving three (3) \$400 scholarships, one for each program semester start, for tuition, tools, books and materials to an individual in the Combo Welding and Fitting Programs or Facilities Maintenance Program.
